Attn: Lee / Judge Connors / Whom it may Concern,

I regrettably must request a continuance for my (Andres Esquivel) court date on 11/22/2011. It is case #111701135 in Davis County District Court. I have decided to retain counsel, and he (Ron Yengich) should be contacting you within a week. Since my court date on the 22<sup>nd</sup> of this month is a preliminary hearing and since the date is so close to the holidays, some of my witnesses cannot attend. Also, I have had to wait for the prosecutor to go through the discovery and decide whether or not to settle with me before I could decide whether or not to get counsel. Because of this, Mr. Yengich needs a little more time to go over the case files for himself. If you could push the date out even 2 or 3 weeks, it would be much appreciated. We are trying our best to get out to you from Denver, Colorado to make all the dates, but with the holidays coming and work schedules increasing, it gets hard. I also have to work next week because of mandatory holiday scheduling. Anything you can do to help me would be amazing. Please do not hesitate to contact me with any problems or questions.

Thank you,

11/16/2011

Andres Esquivel
